

New Mexicans for Money Out of Politics (NM MOP)

Things you can do right now to further the effort toward a 28th Amendment

1. Sign the Citizens Uprising Petition:

I pledge to join the 50-state Citizen Uprising in my state to support the 28th Amendment so that people – not money, not corporations, not special interests – govern America.

Sign the Citizens Uprising Petition here:

http://www.americanpromise.net/take_action#petition

2. Sign the Pledge Petition:

We know that a majority of Americans – democratic, republican and independent - are tired of unlimited spending from corporations and special interests in our elections: 80 percent of citizens support our movement and 19 states have already won ballot initiatives or resolutions calling on Congress to take action. Over 100,000 citizens like you have taken our Citizen Uprising pledge in support of a 28th Amendment to reverse Citizens United and reclaim our democracy. Now we're asking candidates across the country to do the same – and we need your help. Add your name: "I want my candidates to sign the pledge in support of the 28th Amendment."

Sign the Pledge Petition here:

http://www.americanpromise.net/pledge#pledge_petition

3. Consider joining American Promise

Sign up for membership: attend Second Saturday Citizen Action calls, gain access to lots of great resources, and be connected to an active source of 28th Amendment activism. Monthly contributions can be as low or high as you choose.

Join American Promise here:

http://www.americanpromise.net/support_us#become_a_member

4. "Like" and "Follow" both The American Promise and NM MOP on Facebook

Search for "The American Promise" on Facebook (look for the red, white and blue triangular logo), then click on "like" and "follow." The page offers announcements of actions taking place locally and nationally, introductions to Pledge signers, and lots of interesting and inspiring material on the 28th Amendment movement.

While you're at it, do the same with the NM MOP Facebook Page. Search for "New Mexicans for Money Out of Politics" (look for the circular dollar sign logo), then click on "like" and "follow."

5. Review the attached handout from American Promise: "What You Can Do Today."

This is a great list of do-able things you can start on right away, either on your own, or in collaboration with American Promise, or NM MOP.

6. Join the NM MOP 28th Amendment Committee

Become an active member of this work group. We work closely with American Promise and other national and local organizations, doing what we can to educate and take action toward this important cause.

Join the NM MOP 28th Amendment Committee by emailing 28tham@nmmop.org, or ishwarisollohub@yahoo.com
