

Interested in a 28th Amendment to Reverse Citizens United?

Join us on April 22 for a unique opportunity to meet with Jeff Clements of American Promise. Let's reclaim our democracy!

New Mexico is slated to have one of the most expensive election years coming up in 2018. This is the new normal but with your help we can end the domination of big money in our elections with a nationwide movement for political equality. The New Mexico legislature recently passed HJM 10 with cross-partisan support, thanks to effective and sustained grassroots pressure. Now it's time to double down and create champions in Congress to win a 28th Amendment so that people - not money, not corporations, not special interests - govern.

Please join citizen leaders in hosting Jeff Clements of American Promise. Learn how American Promise is working toward winning a 28th Amendment to reverse the effects of Citizens United and restore our democracy. Free event open to the public!
